

***Teilhard Studies* Proposal Guidelines**

The editorial board of *Teilhard Studies* welcomes proposals for papers that explore, develop, or put into practice Teilhard's vision. Proposals should:

- contain an outline or long abstract, 2 to 4 pages in length, which *clearly* shows the argument you will make in your paper;
- contain a preliminary list of sources you intend to engage;
- include your name, email or surface mail address, and a brief bio.

Proposals are evaluated blindly by the editorial board on a monthly basis. When you submit a proposal, you will receive confirmation acknowledging receipt which will notify you of the date by which you will know the status of your proposal. Should your proposal be accepted, you will receive the *Teilhard Studies* publication guidelines.

The editorial board is eager to work with early-career or first-time scholars and writers; feel free to make your publication experience clear in your bio. Send proposals and questions to Laura Eloë, Ph. D. at eloel1@udayton.edu or 140 E. Krepps Rd. Xenia, OH 45385.
