

## Membership

The American Teilhard Association depends on our members for support in undertaking the great work of creating a flourishing Earth Community. Your tax-deductible dues and contributions make it possible to continue the work of such visionaries as Pierre Teilhard de Chardin and Thomas Berry.

All members will receive annually two issues of the Teilhard Studies monograph; the Association's newsletter, Teilhard Perspective; and notice of the Annual Meeting and other events related to the work of the Association.
